

REMARKS

Claims 1-34 are now pending in this application. Claims 1, 9, 11, 17, 21-23, 26, and 29-34 are independent. Claims 1-3, and 7-34 have been amended merely to clarify the recitations, and specifically not to overcome any art of record. Further, no claims have been added or canceled by this Amendment.

No new matter is involved with any claim amendment, as support may be found throughout the originally-filed disclosure.

Summary of Telephonic Interview with Supervisor

As discussed between Applicant's Representative E. Rico Hernandez (Reg. No. 47641) and the Examiner's supervisor Edan D. Orgad during the telephonic interview on August 22, 2007, the various objections to the claims in the most recent non-final office action have been withdrawn by the Supervisor. Applicant sincerely appreciates the Supervisor's consideration in this matter.

Objection to the Claims

Withdrawal of the objection to claims 1-3, 8-9, 11-24, 26-34 is requested. As discussed with the Examiner's supervisor, the objections have been withdrawn.

Single Means Claim/Undue Breadth Rejection under 35 U.S.C. §112, ¶1

Withdrawal of the rejection to claim 29 under 35 U.S.C. §112, first paragraph, as having undue breadth, is requested. This claim has been amended in a manner that is believed to overcome the stated basis for rejection.

Indefiniteness Rejection

Withdrawal of the rejection of claims 31, 32, and 33 under 35 U.S.C. §112, second paragraph, as being indefinite, is requested. These claims have been amended in a manner that is

believed to overcome the stated basis for rejection. Consideration and allowance of amended claims 31-33 are respectfully requested.

Non-Statutory Subject Matter Rejection

Withdrawal of the rejection of claim 34 under 35 U.S.C. 101 as being directed to non-statutory subject matter is requested. Although Applicant believes that claim 34 is clearly drawn to statutory subject matter, claim 34 has been amended in a manner that clarifies the patentable nature of the claimed subject matter. Consideration and allowance of claim 34 are requested.

Claim Amendments

Various claims have been amended merely to clarify the recitations, and specifically not to overcome any art of record. Consideration and allowance of the presently pending claims is requested.

Conclusion

All rejections and objections having been addressed, Applicant submits that each of pending claims 1-34 in the present application is in immediate condition for allowance. An early indication of the same would be appreciated.
